

Hand Sanitizer

Conveniently Sanitize Hands

Ensure hand sanitizer is available to everyone at your facility, and prevent the spread of viruses and bacteria.

By outsourcing hand hygiene services, you benefit from:

A Healthy, Safe Environment

Protect your employees and guests from the spread of infection by placing hand sanitizer throughout your facility.

Reduced Absenteeism

Good hand hygiene leads to reduced illness, and reduced levels of sick leave and absenteeism.

Reliable, Hassle-Free Service

Our expert technicians ensure that your washroom users are cared for, with on-time, reliable refill services.

Hand Hygiene

Product Overview

Highly Effective, No Residue

- Instant alcohol-based hand sanitizer with a fresh feeling gel leaves hands soft with no sticky residue
- Kills germs that may cause illness

Convenient Dispensing

Place multiple dispensers throughout the facility for increased use and improved hand hygiene compliance.

Attractive dispensers come in manual and touch-free, automatic options.
