

Sharps Collection

Disposal Service

Citron Hygiene's Sharps Collection Disposal Service protects employees, customers and staff from the serious health risks caused by the improper disposal of used needles.

Providing safe disposal service for any business type

Reduction of Risk

Accidental needle stick accidents can be devastating for the injured party and the affected business. Allow our trained technicians to maintain qualified disposal systems to alleviate any worry for you.

Safety Compliance

Provided containers meet National Institute for Occupational Safety and Health (NIOSH), Centers for Disease Control and Prevention (CDC) and Occupational Safety and Health Administration (OSHA) guidelines.

Across the Board Need

There are 100 million adults in the United States with diabetes. About 6.1 million women in the U.S. have difficulty getting or staying pregnant. Those are just two examples of conditions that may require a need for a sharps disposal system.
