

## Essentia

*Safe, Sanitary, Smart*

An innovative, touchless, discrete menstrual hygiene disposal system designed to reduce cross-infection risks from blood-borne pathogens and provide a hygienic and pleasant washroom experience.

### By outsourcing your menstrual hygiene disposal you benefit from:

#### **Cost Savings**

Fewer plumbing issues from menstrual products being flushed down the toilet.

#### **A Healthy Environment**

Touch-free disposal keeps employees and visitors safe from blood-borne pathogens.

#### **Reliable, Hassle-Free Service**

Our expert technicians do the dirty work so you don't have to.

## Let us do the dirty work so you don't have to

Citron Hygiene Certified Technicians maintain each system on a pre-determined schedule.

All sanitary waste is removed discreetly from your premises.

All Citron Hygiene's disposal systems include DIN registered Actiwipe (Canada) or EcoCard (US), our exclusive non-liquid disposal agent designed to treat sanitary waste.
